The screenshot shows the CFE website homepage. At the top, there is a navigation menu with links: Home, Meet CFE, FAQ, Glossary, Contact, Site Map, Press Room, and Inglés. Below this is a secondary menu with categories: CASA, NEGOCIO, INDUSTRIA, PROVEEDORES, and TRANSPARENCIA. The main header features the CFE logo (COMISIÓN FEDERAL DE ELECTRICIDAD) and the Mexican coat of arms. A search bar with the text "Google™ Búsqueda personalizada" is located on the right. The central banner area contains the text "Conoce nuestra nueva modalidad de facturación Pago programado" and "¡Tú, tienes el control!". Below the banner is a large green pushpin graphic. On the left, there is a login section titled "CONSULTA TU RECIBO" with two input fields: "Usuario" and "Contraseña". A red arrow points from the word "User" to the "Usuario" field, and another red arrow points from the word "Password" to the "Contraseña" field. Below the fields are links for "I am not registered" and "Forgot Password", and an "ENTRAR" button. At the bottom, there are four columns of links: Home, Deal, Industry, and Suppliers.
